            46Y to 150Y   : -0.9                     ; <1.0
         TEST CODE ALWAYS MESSAGE - [ZAMH]
         ZAMH     For research use only.
                  The testing method is a manual immunenzymatic assay
                  manufactured by Beckman Coulter Inc.
                  Values obtained with different assay methods or kits may be
                  different and cannot be used interchangeably.
                  If this test is being ordered as a tumor marker, results
                  cannot be interpreted as absolute evidence for the presence
```

or absence of malignant disease.
