

TEST DOWN

NOTIFICATION DATE: May 19, 2009

EFFECTIVE DATE: Immediately

C3 Complement, Functional, Serum
#81090

EXPLANATION: Due to technical problems with test #81090, C3 Complement, Functional, Serum, testing will be down until further notice. During this time, specimens will be stored frozen until testing can be performed. We apologize for any inconvenience this may cause.

NOTE: Because these specimens are frozen and cannot be aliquoted for other testing, it is highly recommended that any specimen for this test be sent in its own vial, separate from other test orders and accession numbers.
