

**REPORTING CHANGE**

**NOTIFICATION DATE:** August 25, 2009

**EFFECTIVE DATE:** August 31, 2009

**VAP CHOLESTEROL**  
**#91277**

**EXPLANATION:** We have worked with Atherotech over recent months and they have adjusted their report format so we can once again deliver these reports via fax instead of US Mail. Beginning August 31, 2009, reports will indicate the following comment:

*Testing is complete. Final copy has been faxed to the referring laboratory.*

**NOTE:** There are also several testing options for lipids available directly from Mayo Medical Laboratories.

Unit Code	Test Name
89339	Lipids with Nuclear Magnetic Resonance (NMR) Lipoprotein Particles, Plasma
87930	Lipoprotein Profile with LDL and HDL Particle Concentration, Plasma
84208	Extended Cardiovascular Risk Marker Panel
