

**Tick-Borne Panel, Molecular Detection, PCR, Blood
#83266**

EXPLANATION: A reporting field will be added to the file definition for this test to report an emergent novel ehrlichiosis agent, *Ehrlichia muris*-like (EML).

This will require file definition changes.

The specimen requirements, CPT code and fee will not change.

Please see the July/August 2010 issue of the Mayo Medical Laboratories Communiqué available online at www.mayomedicallaboratories.com for more information on *Ehrlichia muris*-like (EML).

QUESTIONS: Contact your Mayo Medical Laboratories' Regional Manager
