

REPORTING CHANGE

NOTIFICATION DATE: September 29, 2010

EFFECTIVE DATE: November 1, 2010

**CONGENITAL ADRENAL HYPERPLASIA (CAH) NEWBORN
SCREENING, BLOOD SPOT
#84113**

EXPLANATION: New result fields will be added to test #84113, Congenital Adrenal Hyperplasia (CAH) Newborn Screening, Blood Spots that allow numerical reporting of each analyte, rather than the current text format. This change requires an update to the file definition. There will be no change to the list fee or CPT coding.
