

TEST DEFINITION CHANGE

NOTIFICATION DATE: November 16, 2010 **EFFECTIVE DATE:** December 16, 2010

DEHYDROEPIANDROSTERONE, SERUM #81405

EXPLANATION: In order to simplify the reporting format, test #81405, Dehydroepiandrosterone, Serum, will have a reporting field removed from the test definition; this will be effective December 16, 2010. No other changes to this assay will occur at this time.
