REFERRAL TEST DELAY

NOTIFICATION DATE: December 1, 2010

EFFECTIVE DATE: Immediately

CU (CHRONIC URTICARIA) INDEX
#57104

CU (CHRONIC URTICARIA) INDEX PANEL
#57106

EXPLANATION OF CHANGE: Viracor-IBT Reference Laboratory, has notified us of a test delay due to reagent backorder which affects both CU (Chronic Urticaria) Index and CU (Chronic Urticaria) Index Panel. Current expectations are that reagent will be received by December 21, 2010. All current pending orders and new orders received will be held by Viracor-IBT Reference Laboratory until reagent is received.
