

FILE DEFINITION CHANGE

NOTIFICATION DATE: January 26, 2010 **EFFECTIVE DATE:** March 3, 2010

Lyme Disease Antibody, Western Blot, Serum #9535

EXPLANATION: Several reporting fields will be added to the file definition of this test to facilitate reporting of western blot bands.

This will require file definition changes.

NOTE: There will be no changes to the specimen requirements, fee or CPT codes.

#9535 is also a reflex test of Unit Codes #9129 Lyme Disease Serology, Serum and #83265 Tick-Borne Disease Antibodies Panel, Serum.
