

TEST OBSOLETE

NOTIFICATION DATE: December 13, 2010

EFFECTIVE DATE: January 11, 2011

**AMINO ACIDS QUANTITATIVE ION EXCHANGE, URINE
#8392**

EXPLANATION: Due to a restructuring of the amino acid testing, order code #8392, Amino Acids Quantitative Ion Exchange, Urine will become obsolete. Mayo Medical Laboratories will no longer maintain an orderable test code for Amino Acids testing on 24 hour urine samples.

RECOMMENDED ALTERNATIVE TEST: #60475- Amino Acid Quantitative, Random Urine
